**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I use a local ISP and love it. I have used them for years and appreciate their responsiveness, and their customer service.

They provide quality local jobs.

They provide excellent service and are working to upgrade their networks.

Soon we will be upgrading to their fiber network, and bundling our phone into our internet coverage. As a senior who needs to watch monthly expenses, this is very important.

For all of these reasons I am asking you to support broadband competition.

Thank you for your consideration.
